

Commonwealth of Virginia
Office of the Governor

Executive Order

NUMBER FORTY (2015)

IMPROVING ABC LAW ENFORCEMENT

Importance of the Initiative

Keeping Virginia families and communities safe is the highest responsibility of the Governor and state government. In performing that duty, we also have a responsibility to ensure that agencies charged with public safety have the training, resources and oversight they need to do their jobs professionally and in a way that promotes and protects the public trust.

Recent events involving special agents of the Virginia Department of Alcoholic Beverage Control (ABC) in Charlottesville have underscored longstanding concerns about the agency's Bureau of Law Enforcement and exposed the need for more extensive training and oversight. While we must await results from the investigations by Virginia State Police and the Office of the Commonwealth's Attorney in Charlottesville before drawing conclusions about that particular incident, it is not too soon to take proactive steps to improve ABC's Bureau of Law Enforcement.

Accordingly, by virtue of the authority vested in me as Governor under Article V of the Constitution of Virginia and under the laws of the Commonwealth, I hereby direct the Secretary of Public Safety and Homeland Security, the Chief Operating Officer and the Commissioners of the Department of Alcoholic Beverage Control Board, in conjunction with the Department of Criminal Justice Services, to take the following immediate actions:

1. The ABC Board shall require the immediate retraining of all ABC special agents in the areas of use of force, cultural diversity, effective interaction with youth, and community policing, to be completed no later than September 1, 2015. This training shall be implemented and certified by the Department of Criminal Justice Services utilizing evidence-based training curricula and education practices that meet nationally-accepted standards.

2. Effective immediately, the ABC Bureau of Law Enforcement shall report directly to the Chief Operating Officer of the ABC, who is responsible for the day-to-day management of all ABC functions.
3. The Secretary of Public Safety and Homeland Security shall convene an expert review panel of representatives of local and campus law enforcement agencies and sheriff's offices, Commonwealth's Attorneys, the Governor's Policy Advisor on Law Enforcement for ABC, the Chief Operating Office of the ABC, the Director of the Department of Criminal Justice Services and such other individuals representing relevant stakeholder groups, as he may deem appropriate in order to review the agency's mission, structure, policies and training and make recommendations regarding any identified changes needed. A report of the leadership team shall be completed and presented to me no later than November 1, 2015.
4. The ABC Bureau of Law Enforcement shall immediately review, update or enter into appropriate Mutual Aid Agreements, or other Memoranda of Understanding, with local law enforcement agencies serving communities with state institutions of higher education, with the goal of improving collaboration, communication and delineation of expectations regarding enforcement activities performed by ABC special agents in these communities.

Effective Date of the Executive Order

This Executive Order shall be effective upon its signing and shall remain in full force and effect until amended or rescinded by further executive order.

Given under my hand and under the Seal of the Commonwealth of Virginia this 25th Day of March, 2015.

Terence R. McAuliffe, Governor

Attest:

Levar M. Stoney, Secretary of the Commonwealth

Executive Directive 4 (2015)

ESTABLISHING THE CENTER FOR BEHAVIORAL HEALTH AND JUSTICE

During the past decade, Virginia lawmakers, the Supreme Court and Executive Branch agencies have spearheaded various efforts to identify and address the needs of persons with mental illness who become involved with the criminal justice system. While many initiatives have demonstrated some success, significant challenges remain in ensuring coordination and collaboration across the behavioral health and criminal justice systems at local, regional and state levels.

On April 8, 2014, I issued Executive Order 12, reestablishing the Task Force for Improving Mental Health Services and Crisis Response. Among the most significant recommendations from the Task Force is the need to create a center of excellence to collaboratively identify and utilize public and private resources to more effectively coordinate implementation of programs, policies and resources to address behavioral health needs within the Commonwealth, particularly for those individuals involved in the criminal justice system.

In order to achieve its goals of better coordination among behavioral health and justice agencies in the public, private, and not-for-profit sectors, the center shall pursue a collaborative, multi-systems approach in the following areas:

- Data collection and analytics
- Evidence-based programs and practices
- Education, outreach and training
- Technical assistance and resource development

Accordingly, I hereby direct the establishment of the Center for Behavioral Health and Justice (Center) and direct the Secretaries of Public Safety & Homeland Security and Health & Human Resources to oversee this process. The work will be led by an Executive Leadership Council (Council) which will develop the organizational structure and an implementation plan for the Center.

The Council shall be convened by the Deputy Secretary of Public Safety & Homeland Security and the Deputy Secretary of Health & Human Resources.

The Council shall also include the Commissioners of the Department of Behavioral Health & Developmental Services and the Department of Health, and the Directors of the Departments of Corrections, Criminal Justice Services, Juvenile Justice, and Medical Assistance Services.

The Council shall present me with an organization and implementation plan for the Center by July 1, 2015.
