

UNDERGRADUATE FINANCIAL AID

LIMITING STUDENT DEBT

AS A PUBLIC INSTITUTION, UVA's mission is to educate students who have earned a place in the class based on their academic merit, regardless of their financial situation. The University is consistently lauded by national publications as one of the nation's best values in higher education. It has also been commended for graduating students on time with lower-than-average debt coupled with higher-than-average earning potential.

UVA HAS FEWER GRADUATES BURDENED WITH STUDENT DEBT than national and Virginia averages while offering need-blind admissions and meeting 100% of demonstrated need.

UVA STUDENTS WHO GRADUATE WITH DEBT BORROW LESS than the national average and they have lower monthly loan payments.
